

FCCI AWARD

RAY WILSON

The Golden Horseshoe Chapter of the CCI would like to congratulate Ray Wilson on the receipt of his FCCI at the Awards Dinner held November 7th, 2003.

Ray is the President of Wilson, Blanchard Management Inc., one of the largest and most respected property management firms managing corporations throughout the GTA and Golden Horseshoe area.

Ray's career in property management actually began when he purchased a condominium unit and immediately became a member of the Board of Directors. His involvement in his own corporation led him to take several property management certificate courses and eventually led him into the industry as a highly respected manager, speaker, lecturer and instructor.

Ray first became involved in the Southern Ontario Condominium Association in the 1970's. He received his ACCI in 1983 and in 1988 his Registered Condominium Manager designation through the Association of Condominium Managers of Ontario (ACMO). Additionally Ray is a past president of ACMO, past chairman of the Ethics Committee and past Director and member of the Education Committee. Ray is the past Vice President of the Golden Horseshoe Chapter of the CCI and has been on the National Board of Directors of the Canadian Condominium Institute since 1999.

Over the last several years Ray has received his A.I.H.M. designation (Associate of the Institute of Housing Management), his ARP designation (Associate Reserve Planner) and CMOC designation (Certified Manager of Condominiums). His expertise in the field affords him an exemplary reputation in the industry.

Congratulations Ray!!
